

# ABOUT ME

# NIVI SINGH-KASSIRAM

A Visionary Peak Performance Specialist

Empowering Leaders | Guiding Individuals | Elevating Businesses

Nivi is a luminary in the field of transformation, standing at the intersection of expertise, insight and pioneering solutions

With a distinguished career spanning over a decade in corporate leadership, including executive-level roles and another decade as a flourishing business owner, she possesses a distinctive vantage point for guiding her clients towards extraordinary success.

Nivi possesses an exceptional aptitude for discerning and tackling strategic as well as developmental challenges faced by individuals, business owners and leaders alike.

She is the proud recipient of the 2023 Women of Wonder Awards Founder of the DanRio Group, AccelerateHer as well as Grid CONNECT

She is a qualified finance graduate at the University of KZN as well as a Certified Executive and Management Coach with the University of Cape Town amongst others.

Nivi's passion for neuroscience and the practical mind application day to day also sees her bringing the knowledge gained from the Neuroscience School in Montreal where she is Certified in Applied Neuroscience

Nivi served on the Audit, Risk and Finance committee at COMENSA and was also an Alan Gray MakersHub Mentor

Fueled by an unyielding commitment to delivering measurable results, she recognizes the immense challenges individuals, leaders and business owners face.

She fiercely advocates that a creative shift in perspective, creating opportunities and building strong community support are the ultimate catalysts for unlocking success.

With a bold vision for the future, she is driven to create transformative opportunities that empower businesses, elevate individuals and reshape the landscape for generations to come.
